

## Overpack - OP1

### PRODUCT OVERVIEW

Backed by our 3 year guarantee

Manufactured from medium density polyethylene this overpack is resistant to a wide range of chemicals and the lid is fitted with a neoprene seal. Not UN approved this overpack is not designed for transport on public roads, but can be used to contain damaged or leaking drums on site or as a container for a site spill response kit.

 100% polyethylene for chemical compatability

 UV Stabilised

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.
