INDUSTRY FOCUSES

- 1 The rotating **dirtkiller nozzle** is the enemy of particularly stubborn dirt.

2 Surfaces and moss-covered paths can be cleaned, while everything else remains dry, when using the **spray guard** accessory.

3 The **Round Cleaner UFO** floats and efficiently cleans larger surfaces such as garage driveways, yard driveways or terraces.

4 Areas that are hard to reach, such as high façades or roofs, are no longer an issue with the **Kränzle lance extension**.
- 5 The Kränzle **pipe cleaning hose** resolves clogs in areas difficult to access such as outflows, gutters or sewers.

6 The Kränzle **washing brush** is ideal for gentle and careful cleaning of surfaces, such as glass, wood, plastics, etc.

7 Combined with the **Alpha Neutral cleaning agent**, the **foam injector produces** effective foam to dissolve gross contamination.

8 Walkways, driveways and terraces can be cleared of dirt quickly and thoroughly with the hand power sweeper **Colly 800**.
