

Nova X-Dry

| | |
|---------------------|---|
| PRODUCT TYPE | Special Hygiene |
| APPLICATION | Nova X-Dry is a ready-to-use dry hygiene agent for all types of stables and all livestock species. |
| PROPERTIES | Nova X-Dry is an easy-to-handle hygiene agent, which is highly moisture absorbent, partly because of its large biomass content. The product improves the stable environment in terms of odour nuisance and helps control the development of bacteria and insect hatching locations. |
| STORAGE | Store in closed original container in a dry place. |
| SAFETY | Please see the enclosed safety data sheet for information about handling and disposal. For professional users only. |

INSTRUCTIONS AND DOSAGE

Nova X-Dry is ready for use.
Dispense with 50 gram/ square meter, 2-4 times a week or as required.
